Detaillering van de Biet

A cartoon illustration of a red beet with a friendly face. The beet has large, round eyes with black pupils and a wide, open smile showing a red tongue and white teeth. It has three large, green, leafy tops growing from its crown. The entire illustration is set against a plain white background.

A collection of 15 stylized, cartoonish faces arranged in a grid on a red background. The faces are drawn with large, expressive eyes and simple, bold outlines. They exhibit various emotions and features: some have wide-open mouths showing red or pink interiors, others have tongues sticking out, and one has a heart-shaped mouth. The faces are arranged in four rows: the first three rows have four faces each, and the fourth row has two faces.

A collage of various cartoon faces with different expressions and features. It includes a man with a mustache and glasses, a woman with a bow, and several children's faces with different expressions like smiling, crying, and surprised. The faces are arranged in a grid-like pattern.
